TOWN WARRANT THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Sandown in the County of Rockingham in said State, qualified to vote in Town Affairs :

You are hereby notified to meet at Town Hall in said Sandown on Tuesday, the Eleventh day of March, next at one of the clock in the afternoon to act upon the following subjects :

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the town will vote to authorize the Selectmen to

borrow money in anticipation of taxes.

4. To see if the town will vote to authorize the Selectmen to administer or dispose of, at a public or private sale, property taken through Tax Collectors Deeds.

5. To see if the town will vote to accept Town Road Aid, State to contribute \$2,697.28, Town to raise and appropriate \$404.59.

6. To see if the town will vote to raise and appropriate the sum of \$3,100.00 for Black Topping one mile of the Fremont Road (so called), starting at the North Road.

7. To see if the town will vote to raise and appropriate the sum of \$750.00 for the purchase of new fire hose.

8. To see if the town will vote to authorize the Fire Department to withdraw the sum of \$650.00 from the Capital Reserve Fund, for the purchase of fire equipment.

9. To see if the town will vote to allow the Chief of the Fire Department to retire or dispose of the International Fire Truck, as may seem to be the most advantageous to the Fire Department.

10. To see if the town will vote to raise and appropriate the sum of \$170.00 for the purchase of a Power Hoist for the Snow Plow.

11. To act on any other town business that may legally come before said meeting.

The polls will be open from one o'clock in the afternoon until seven o'clock in the evening. Warrant and Budget to be taken up at eight o'clock in the evening.

Given under our hands and seal, this Eleventh day of February, in the year of our Lord nineteen hundred and Fifty-Eight.

REPORT OF PLANNING BOARD FOR 1957

We are grateful for the cooperation of our citizens in our work and deliberations. On several occasions, folks have come to offer us valuable advice which proved to be for the good of the community. We arranged and held a special public meeting with the owners of our telephone system, pertaining to the method and procedure to be used in the new dial system now under construction. Many questions were raised by the public, regarding cost, erection, etc., which were answered by the owners, to the satisfaction of us all and we feel much progress has been made, with the promise of a modern telephone system by June of 1958.

Your Planning Board suggested changes to be made in a subdivision at Angle Pond as laid out by surveyers; this was done and resulted in a much better lot layout.

During September, we were much concerned with the prospect of a commercial piggery in town. Your board viewed this property and found that most residents were violently opposed to that kind of industry in our town. We therefore decided to call a special meeting, inviting those interested, for an open discussion of their views on the matter. After a heated and indignant debate, the citizens unanimously decided against the undesirable intrusion, and drew up a petition to the Selectmen, to call a special town meeting, for the purpose of enactment of an amendment to the Zoning laws, banning Pigerries, Mink Ranches and Fox Farms from the town. The special town meeting was held on October 16th, with a large attendance, and voted favorably on the amendment.

We trust your Planning Board is living up to the expectations of what such a body should be, and we shall try, with your co-operation, to continue being useful in bettering our town.

FIRE DEPARTMENT REPORT

During the year of 1957, the fire department handled 28 calls.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Sandown qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the seventh day of March, 1958, at eight o'clock in the evening, to act up on the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board

and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To transact any other business that may legally come before this meeting.

Given under our hands at said Sandown this 30th day of January, 1958.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Sandown :

It is with pleasure that I present my annual report to you :

It may be true that Russia leads the United States in the production of engineers and scientists. But that is only one side of the story. The other side raises many questions as to just how far education is extending among Russian youth, and how good that education is.

Does the average Russian child receive as much education as the American boy or girl? Is Russian education below, equal to, or superior to that of the American system?

A little intensive reading in this field of recent educational literature reveals that about one-third of the youth of Russia reach what compares with the upper three grades of an American high school. By contrast, in America, 75 per cent of the young people reach these grades. As for higher education, less than seven Russians of every 1,000 are receiving university training at college level.

Facts indicate that two-thirds of the Russian children are denied educational opportunities beyond the seventh grade. The reason for this denial is acute shortage of classrooms! Despite the publicity of an expanded building program, half of the 195,000 local schools in Russia are inadequate because of space shortage.

The same overcrowding is extended to the university level; enrollment has risen 110 per cent since 1940, but available space has expanded at this level only 37 per cent.

Under such conditions, tens of thousands of Russian children—the majority—are removed from local schools at about 14 years of age and sent to work. Do we want this in our schools? I don't think so!

This unfortunate group constitutes a pool of cheap, mobile labor under the guise of educational procedure—procedure that terminates in coal mines and factories.

Russia is trying to impress the world through such scientific feats as Sputnik I and Sputnik II. True, Russia has increased its number of scientists, but at the expense of the majority of its citizens.

Russia is being criticized by Russians for the over loading of engineering students, leaving the students little or no time for independent study.

Alexander G. Koral, a Russian-affairs specialist at the Center for International Studies at the Massachusetts Institute of Technology, stated recently that while Russia is expanding its whole educational program, chiefly to meet Communist military objectives, there is no immediate threat that Soviet education is about to match or surpass that of the United States.

I believe that much damage has been done to our educational system during the past twenty years by the disciples of Progressive education. We are now ready for the pendulum to swing back to the essential methods and policies for our public schools:

1. Reading to be taught in early grades, with emphasis upon phonetics.

2. Cursive writing to be taught, starting in the third grade, with emphasis on drill.

3. Spelling to be taught as a subject, in conjunction with reading, with emphasis upon phonetics.

4. Basic arithmetic to be taught in the first seven grades.

5. History, civics and geography to be taught as separate subjects.

6. The essentials of grammar and the structure of English to be taught in the early grades.

7. Greater use of written essay-type examinations should be made available.

8. A reasonable amount of homework should be required, and parents should be encouraged to supervise home study.

9. Promotion should be determined primarily by proficiency.

Your school board deserves much credit in giving so much time and thought in the preparation of the budget. They have made an honest attempt to see that the budget is well proportioned for the educational needs of your children.

In closing, I wish to express my thanks to the pupils, school board, P. T. G., citizens and teachers for whose understanding, patience and kindness have made the school year one of success.

Respectfully submitted,
George P. Sullivan
Superintendent of Schools

NURSE'S REPORT

To the Superintendent, School Board, and Citizens of Sandown:

Health practices have proceeded as usual since the beginning of the school year.

The new Bausch & Lomb ortho-rater for eye testing has proved invaluable. When a notice goes home to a parent requesting examination by an eye specialist, it is sent with confidence that the school test has been done under the most accurate conditions possible. Of course, when defects are found in school, it does not necessarily mean that the child needs glasses—this must be the doctor's decision.

Fifth graders will not be admitted to school in the fall without vaccination unless they have a written excuse from the family doctor.

Thank you all for your continued support and cooperation.

Respectfully submitted,
Constance J. Huss, R. N.
School Nurse-teacher
